SECRET CRUSHES

We all know you wish you could hook up with the ladies in these pages. While highly unlikely, we encourage you to let them know you'd wash their car, meet their parents, or just that you have a secret crush on them!

Where in god's earth did you find Rikki Six? She is the cutest thing ever. What a great look on that babe, and she's got the cutest smile that is just the biggest turn on. I think I fell instantly in love with her the moment I saw her. The photos of her were sexy, revealing and a turn on. I'm sure everyone has said that she looks like a Barbie doll, but there's nothing wrong with that. Besides, she's got all the womanly things that Barbie doesn't. And that makes her even more desirable. I wish all that long blonde hair was falling down over me as I fuck her tight, really tight pink pussy. But she showed me just enough to want more. Are we going to get more of Rikki? And when? I gotta know.

– Blake, Baltimore

I think I went to college with one of the girls in the girl-girl pictorial with Rylie Richman and Nikki Mae. It's Rylie but, of course, that wasn't her name then. I remember that cute sexy smile but her butt didn't seem that nice back then. How can I find out if she was my classmate? A girlfriend, who went to college with us at the same time, says it isn't her, but I think it is. She was about five foot eight and had small boobs and a short hairdo. But she could have grown into her chest. I'm looking at the yearbook now as I write and I'm convinced it's her.

Okay guys – you know we can't tell you where she went to college. What we can tell you is that she graduated at the top of her class, went on to a prestigious university, received a Rhodes scholarship, modeled in Paris and Milan, and plans to run for President in 2020. Hope that helps. – Ed

MANY PERFORMERS ARE CALLED MILFS, BUT DO THEY REALLY ACT LIKE THEM?

The term MILF has permeated our society for the past twenty years or so, but no more than the last few. Many of the women in the adult business have been given that title. It seems to be the sexiest title out there.

I hate being called a MILF and I love being called a MILF. I have not yet decided, but whichever way I go, I still like the attention. I wore my skirts short and my blouses would be open deep in front that would show my 36 inch breasts. I like to watch men staring at me. But I can't decide if I like the younger ones or older ones doing it.

I live near SMU just north of Dallas, and I take the DART getting on at Mockingbird station into the city for business or to meet girlfriends for lunch. It is an easy thirty minute ride. I'm in my early thirties, but dress pretty hot. It's sex that sells, and guys like to see a woman flaunting it, if she's got it.

It's early July and it's hot and muggy, as usual, and I have to make a pitch at a department store to one of the buyers. I am dressed for the weather in a thin blouse and short skirt of course). But even in these minimal clothes, I still carry an air of professionalism and once I open my mouth to speak, they instantly know that I know my stuff. So I get on the train at my stop and find a seat. Opposite me are two 20+ businessmen stuffed into grey suits and ties. I thought to myself, they've got to be hot in all those stuffy clothes. I was wearing no bra and no panties! I was aware that my blouse was unbuttoned just above the middle of my boobs, and I had my briefcase to hide my pussy as the occasion called for.

These two were constantly looking at me and I have to admit they were pretty handsome. After a couple of minutes I casually undid a button on my blouse. One of the men was glancing at me and saw me doing it. I pretended that the weather was too hot. He looked confused, didn't know where to look, but he saw that I didn't mind him staring. He shifted in his seat to get a better view. The other man was reading, but glanced up at this movement and saw me, too. He didn't look down again. They both were looking at the cleavage of my breasts.
I then took my briefcase from my side and held it with both hands in front of me. This caused my arms to push my boobs together and the line of my

cleavage became even more pronounced. I then smiled at them and let them know that I was aware of their stares. I looked around the train car to see if anyone was watching our little game but everyone seemed into their newspapers, iPods or conversations. I then uncrossed my legs and placed both of my feet on the floor. Fresh air rushed at my pussy and I felt cooler.

I followed their gaze as they lowered it to my pussy. I fidgeted with the hem of my skirt and opened my briefcase which made me open my legs a little wider to steady it. I noticed that one of them had his hand on his crotch and was slowly pressing his cock. They looked intently and must have seen my labia and maybe the lines of my slit. The next stop coming up was mine. I closed my briefcase and my legs and they settled back in their seat. I stood up to exit the train and gave them a little wiggle as I stepped out onto the platform.

I walked over to the store and worked up a little sweat in the Texas humidity. I took the elevator to the administrative floor. I had to pee so bad I crossed my legs the entire elevator ride. I hit the rest room as fast as I could and without realizing it, I had run into the men's room. I wasn't paying much attention to the rest room signs as I pushed through the door. But when I got inside and saw the urinals I realized it – but there was not time. I apologized to the guy who happened to be using one and went for the nearest stall. I heard him leave and I relaxed to empty my bladder.

I finished and wiped up, exited the stall and went to the sink to clean up. Just as I turned on the water, a man cam in saw me and did a double take thinking he was in the wrong rest room. I looked at him and smiled and said coyly, "I had to go really bad and this was the closest. I hope you don't mind." He smiled warmly and said it was okay with him; he just came in to wash up.

He walked over to the sinks and stopped one away from me. I could see him angled in the mirror looking at my open blouse as I leaned over to wash my hands. His eyes caught mine catching him looking, but unexpectedly, he did not look away. "Those look quite nice." he said, I thought rather boldly. 'Thanks" I said "DART was very hot and I'm trying to cool off before my appointment in fifteen minutes." He asked who I was seeing and I told him. He said he knew him.

We looked at each other. His twenty-something

age wore well on him. Nicely dressed and confident. He pulled a paper towel from the dispenser and gave it to me and then pulled more for himself. “So you have fifteen minutes to spare?” he asked. “Yeah.” I replied. He then took my hand and pulled me gently to the larger handicapped stall.

We went inside and he locked the door. He reached over and undid the remaining buttons and pulled my blouse out of my skirt. He started to rub my nipples between his thumb and forefinger and soon both my nipples were hard. I moaned loudly and my body shook with excitement. I removed my blouse and lowered my skirt and stood naked inside the stall. I spread my legs a little and rubbed my pussy right there in front of him. My pussy was neatly coiffed with a thin strip but clean shaved between my legs. My clit stood hard and prominent. I opened my pussy lips with my fingers and began to rub a finger all along the slit. I put my hand on his crotch and undid his zipper. His cock was already hard as I pulled it out. Due to his pre-cum, it was already slick and my hand slid along it easily. I rubbed and stroked the shaft for a minute and he then dropped to his knees and started to lick my pussy. His tongue rolled around my clit making me moan loudly. My ass jerked as he pushed his tongue inside my hole and started to tongue fuck me.

I moaned and quickly came! He then stood up and urged me to make him come. I sat on the toilet seat. I sat in front of him and pulled his hips towards my face, meeting his cockhead with my tongue. I licked and sucked with conviction that I was going to make him cum in the few minutes I had left before my appointment. I released his cock from my mouth and stood up lifted up the toilet seat. I got behind him so I could continue jerking him off. I used my right hand and feverishly yanked his cock urging out his cum. I felt his cock spasm and I knew he was ready; so I pointed it down to the toilet. He spurted it out and with good aim, right into the bowl. I lifted my leg and pushed the toilet flusher down and away it went.

We both straightened up and fixed our clothes. I unlocked the door since I was closest and pushed it open. I was startled to see an older man standing right there that apparently had been listening to us. I looked down and could see a large bulge in his pants. My paramour and the man exchanged words for a moment and they headed for the door. I looked at them in the mirror and my paramour mouthed that was his boss, the guy I had the appointment with.

Wishful Thinking

Abigail Mae

We know that the following is a cliché, but it fits perfectly: If you look in the dictionary under 'super sexy', then it's Abigail's photo that will be there. Never one to shy away from the cameras, this amazing brunette beauty is all about having super sex herself. And we are so glad she is.

Wishful Thinking

Abigail Mac

Us: Good morning Abigail. Let's get right into it... Are you having more sex in your personal life than you are in front of the camera?

Abigail: Not at tis moment.

Us: Why do you love sex so much?

Abigail: I've always been an open sexual person. I was never ashamed or thought it would be weird. I love really intense orgasms. I especially like getting my pussy eaten out and having a clitoral orgasm. It's different than a vaginal or anal climax. That's part of why I like girls so much.

Us: Do you love anal more than vaginally sex?

Abigail: It's just different. I love them both for different reasons. You can't compare apples and oranges. I like them both but they're just different.

Us: Are you a very dominant or submissive person?

Abigail: It depends on the guy or girl. With the guy, I'm Usually submissive about most of the time and with the girl I'm Usually much more dominant.

Us: When your dominant with a guy what does that mean?

Abigail: I've been known to tie some guys up and tease them.

Us: Ever Used a strap on, on a guy?

Abigail: No. I'm all about the girl's butt. They're nice.

Wishful Thinking

Abigail Mac

Us: What would your super-human super-power be?

Abigail: Superpower? Like Superman, you mean? I would like to fly. That would be so great. I get so tired of being on airplanes. I'm on several planes a month, so that would be great.

Us: You probably have a tone of them, but is there one scene you think was your absolute hottest?

Abigail: Yeah, you said it, there's too many to remember. Believe it or not, it was a threeway, with two other girls. I had done many such threeways before, but for some reason, this one stands out as pretty hot. I won't name anyone, but we were three girls in a tub.

Us: In your personal life, where is the strangest place you ever had sex?

Abigail: That's easy. I was staying at a dude ranch in Colorado and on the last night, I coerced my friend to go to the stable and we climbed on top of a horse and had sex. I think we confused the horse because he probably thought he was to go out.

Us: What do you think about guys Using erection-enhancing supplements?

Abigail: I try not to think about it, but I think I can tell when a guy has Used some. His erection Usually won't go down after climaxing. Of course, I prefer a natural fuck, but in this business most guys are aware of the pros and consequences, so it's really on them.

Us: If there was a female one, would you Use it?

Abigail: No, I don't think I would ever need it. My libido is pretty strong as it is. I think most if not all women in the biz don't need anything either. Most girls I've come across are pretty sexual.

Us: In your personal life, what stresses you about working in sex.

Abigail: Wow, that's kinda deep. Let me think for a moment. Well, asshole directors, for one. Especially when they treat the talent like dirt. I won't deal with that. There are also agents and crew that could Use some courtesy lessons. Oh yeah, any person that I'm in a relationship with that can't handle what I do for a living.

Us: Anything else you would like to add?

Abigail: No, that's pretty much it. But I do want to thank all my fans and supporters for my continued success and I wish each and everyone, the same. Love ya!
